

Year 4 - Home Isolation Science Learning Page

Autumn 1 2021

In Year 4 this half term the focus of our Science Learning is '**Electricity**'.
For home learning we will be using the following websites to support this topic:

Bitesize

OAK
NATIONAL
ACADEMY

Once you have completed your lessons, in your purple home learning book produce a double page spread about all you have learned.

<u>Lesson 1</u>	What is static electricity?	https://classroom.thenational.academy/units/electrical-circuits-06f7
<u>Lesson 2</u>	What are the different components in an electrical circuit?	https://classroom.thenational.academy/units/electrical-circuits-06f7
<u>Lesson 3</u>	What are circuit diagrams?	https://classroom.thenational.academy/units/electrical-circuits-06f7
<u>Lesson 4</u>	What are insulators and conductors?	https://classroom.thenational.academy/units/electrical-circuits-06f7
<u>Lesson 5</u>	What happens in a circuit when we change the components?	https://classroom.thenational.academy/units/electrical-circuits-06f7
<u>Lesson 6</u>	How much do we rely on electricity?	https://classroom.thenational.academy/units/electrical-circuits-06f7

Don't forget to use your Science Knowledge Organiser for this half term - Year 4 Electricity - to help you learn and understand about this topic.
