

Year 6 - Home Isolation Maths Learning Page

Summer 2 Weeks 8-13 2021

At Deepdale we are following the White Rose Maths scheme of learning. Below are a list of web links to Maths videos that will support your child's learning from home. These match, as much as possible, the learning that will be taking place in the class that day. The videos are only released on a weekly basis a new link will be added each week.

This term in Year 6, the children will complete a variety of projects.

These will provide opportunities to revisit many of the skills and curriculum content covered both in Year 6 and also the rest of key stage 2.

Week	Topic	Web Link
Project 1	White Rose Maths Bakery	https://whiterosemaths.com/homelearning/year-6/year-6-projects/ (As well as watching the video, ensure you click on 'Get the supporting material' – here you will find all the associated activities and worksheets)
Project 2		
Project 3
