

Homework Policy

2021 – 2022

HOMWORK:

Homework refers to any work or activities which pupils are asked to do outside lesson time, either on their own or with parents or careers.

PURPOSE:

Effective homework will ensure opportunities are provided to apply skills taught in school, enhancing children's learning.

AIMS:

Our school hopes that regular homework will –

- Create an opportunity to consolidate and reinforce skills and understanding of literacy and numeracy
- Promote the importance, value and enjoyment of reading
- Provide opportunities for individual and independent work
- Extend pupils and give opportunities to explore ideas and topics
- Ignite enthusiasm
- Broaden individual horizons and encourage curiosity
- Develop good habits and self- discipline
- Encourage ownership and responsibility for learning
- Seek their co-operation and support
- Create further channels for home/school dialogue

WEEKLY HOMEWORK STRUCTURE:

Nursery:

- Seesaw is used to communicate the learning taking place in Nursery.
- Focus book of the week - parents are sent our focus book of the week to keep them up to date with the story that we are reading at nursery. Attached to the book are some key vocabulary that they may want to discuss with their child.
- Daily reading

Reception:

- Daily reading
- All children have log ins for Bug Club to read books online.
- Seesaw is used to communicate the learning taking place in Reception.
- Weekly Phonics messages are sent home including sounds covered and Read Write Inc link

It is to be noted that additional homework may also be sent home as appropriate, for example:

- If a child requires further practice in an area of learning, perhaps with something they may have found challenging
- In the run up to Assessment periods – Year 2 and Year 6 SATs, or Year 1 Phonics Screening

THE ROLE OF PARENTS AND CARERS:

We would hope that parents and carers will: -

- Provide a reasonably peaceful and quiet place for their child to do his/her homework
- Work alongside their child, encouraging, helping and discussing
- Value homework and support the school in ensuring the homework is completed,
- Praise their child when he/she has completed the task
- Above all, homework should be a *positive* experience for children - if it becomes negative, it can have a detrimental effect on their learning.
- Refund the price of any lost reading books provided by school
