

Enjoy. Embrace. Evolve – We make the difference.

# Nursery Newsletter

## 10.5.2019

I would like to thank all those who were able to make our Stay and Play. It was a lovely afternoon and the children adored doing the different activities with you!

The children are thoroughly enjoying our 'Mini-Beast' topic! This week we have welcomed our very own caterpillars, we are super excited to see what happens to them!

### Home Learning

Next week our story will be 'The Very Hungry Caterpillar', and we have our very own caterpillars in Nursery. Ask your child about the caterpillars and see if they can give you an update about the changes they are making. Why not get your child to draw a picture of the caterpillar and all of the food he eats!

### Reminder

Please have a spare set of clothes for your child to help out with accidents or if they get dirty in our mud kitchen. We are very low on spare socks and tights.

Thank You

### Polling Day- Nursery Closure

Nursery will be closed on Thursday 23rd May due to the polling day. We apologise for any inconvenience.
