

Delph Side Primary School

We make the difference.

Enjoy. Embrace. Evolve – We make the difference.

Nursery Newsletter

14.6.2019

What a fantastic start to our last half term! We have been super busy with butterflies, Elmer's 30th birthday celebrations, the Zoo Lab and lots of fun activities - and we have plenty more to come!!

This half term our topic is Splash- we will be exploring and learning all about the Seaside, Under the Sea and Pirates. We have some lovely stories to enjoy and I am sure the children will love them!

Mellor's Party in the Park Lunch

On **Weds 19th June** we are very excited to host Party in the Park to celebrate Thank a Teacher and the classroom heroes. To celebrate every child gets a **free school meal and can come dressed in either pink, blue or green.**

Morning children are invited to **stay until 12.30** and have their lunch. **Afternoon children** can **come at 12.30pm** and will be a part of the picnic lunch when they arrive.

Home Learning

Prepare for Sports Day – 5th July

Sports Day is just around the corner, so whilst out and about with your child, why not practise some throwing, catching, kicking and running activities. Let's hope for an improvement on the weather!

Non-Uniform- Blossom Legacy

On Tuesday 25th June we will be having an own clothes day to raise money for one of our very own parents, who is facing their fears and completing a skydive!

A great cause and we wish him well!
