

Enjoy. Embrace. Evolve – We make the difference.

Nursery Newsletter

24.5.2019

Another half term completed and what fun we have had! Our Mini-Beast topic has been a great success and the children have flourished in many of the activities. We have LOVED having the caterpillars and the children are thoroughly enjoying watching them transform. We are praying that they don't become butterflies whilst we are all on our break!

We would like to wish you all a lovely week off and look forward to the last half term. I will be sad to see my 'not so' little ones preparing for their graduation. Time has flown by!

Zoo Lab Visit

Nursery will be having a visit from the **Zoo Lab** on **Friday 7th June**.

If your child does the morning session, we would like to invite you and your child to come and visit the Zoo Lab 1-1.30 pm. Parents will need to stay.

Thank you

Home Learning

Make sure you enjoy your week off- and keep an eye out on the class web page, as I will put on pictures of the caterpillars' transformation. They are currently in their chrysalis. I hope the children return to Nursery and get to see the butterflies!

Reminder

Please write your child's name in their jumper/cardigan. We have lots of cardigans with no names on in Nursery. Please check before the half term to see if you are missing a cardigan for your child.
