### Agenda Item

### Actions

#### School Uniform – Meeting with Mrs O

#### Tie

All the school councillors agreed that the chosen tie was a good choice. They liked that it matched the school colour.

#### Shirts

The school councillors preferred the blue shirt over the white shirt as it matches our school colour.

#### Blazers

School councillors thought it was a good idea for the school to pay for blazers when children get into year 5. This will then last them when they are in year 6.

#### Skirts

The school councillors liked the idea of having the same navy blue coloured skirts. They agreed that this would be better than everyone wearing different colours.

#### Sweatshirt

The school council loved the sweatshirt with the blue trim.

#### Blue

The school council agreed that blue was the colour of choice.

#### Book Bag

The school councillors thought that the new book bag was smart! They liked that there are different places for different things such as letters and reading books.

#### New Logo

The school councillors loved the new logo. They agreed that it is a good representation of our values as it includes elements of them all.

The school council gave Mrs O permission to take the new uniform to parents and governors to see what they think!
