## Acceptable Use Policy

The Golden Rule: **Think before you click**

1

I learn online.

I understand that the school will monitor my use of the devices and Internet in school. I must sign in to Classroom Cloud correctly.

2

I ask permission. At home or school, I only use apps, sites and games I am allowed to and when I am allowed to.

3

I am a friend online. I won't share/say anything I know would upset a person or they wouldn't want shared. If a friend is worried, I remind them to talk to an adult

4

I am a secure online learner. I keep password to myself and don't log in to other accounts.

5

I am careful what I click on. I don't click on unexpected links or pop ups and only download/install things after asking an adult. Apps can cost money, so it is important I check.

6

I ask for help if I am scared or worried. I will talk to a trusted adult if anything worries me on a site, app or game. If I get a funny feeling, I talk about it.

7

I know it's not my fault if I see or someone sends me something bad. I won't get in trouble but I mustn't share it and tell an adult.

8

I communicate online with people I already know or have met in real life.

9

I know new online friends might not be who they say they are. Unless I have met them face to face, I can't be sure who they are. I don't arrange to meet online friends.

10

I don't do live videos (livestreams) on my own and always check if allowed. I check with an adult before I video chat with anybody the first time

11

I keep my body to myself online. I never get changed or show what's under my clothes when using a device with a camera. I don't send any photos or videos without checking with an adult.

12

I say no online if I need to. I don't have to do something just because someone dares or challenges me. If I get worried, or upset, I should say no and tell a trusted adult.

Let's make the internet a safer place for everyone.

## Acceptable Use Policy

The Golden Rule: **Think before you click**

13

I tell my parents/carers what I do online. They might not know the app, site or game but they can still help when things go wrong and they want to know what I am doing.

14

I follow age rules. 13+ apps and games aren't good for me so I shouldn't use them—they might be scary, violent or unsuitable. 18+ games are not more difficult but very unsuitable.

15

I am private online. I only give out personal information if a trusted adult says it is OK. If I turn on my location, I remember to turn it off again,

16

I am careful what I share and protect my online reputation. I know anything I do can be shared and might stay online forever. (even on Snapchat if I delete it)

17

I am rule follower online. I know that apps and games have rules on how to behave, I follow the rules, block bullies and report bad behaviour at home and at school.

18

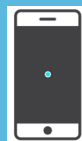

I am not a bully. I do not post, make or share unkind, hurtful or rude messages/ comments and if I see it happening, I will tell a trusted adult. I do not make fun of anyone or exclude them because they are different to me.

19

I respect people's work I only edit or delete my own digital work and only use pictures, words, videos from other people if I have permission or it is copyright free.

20

I will not use my own personal devices on the school grounds

21

I understand that school also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school. Our behaviour steps will be used.
