Nursery Newsletter

16.11.2018

Over the past two weeks we have had so much fun with all of our different learning opportunities. We had a bonfire themed week and then this week has been full of different experiences- Remembrance, the Book Bus and Children in Need. We adored our Pudsey bear hunt and one or two of us are already becoming quite the little book worm!

Please have a spare change of clothes with a few pairs of under ware, and socks- just in case!
