

We make the difference!

## School Council Minutes 1/5/2018

### Members present:

**Y1 Josh**  
**Y3 Connor**  
**Y4 Oliver & Nicole**  
**Y5 Thomas & Roukia**  
**Y6 Maggie & Anton**  
**Staff: Mr Ward**

### Matters Arising:

School Council Display Feedback

- What do you think?
- Is it being used?

The councillors liked the new School Council display.

All the School Councillors are informing their classes this afternoon of the new School Council display. We will look at it next week and we will discuss all the new suggestions from the display.

### Agenda Item

### Actions

Active playtimes!  
Mr Ward to do a learning walk with the school councillors at lunch time to see how the lunch time boxes are being used.  
Key questions to observe:

- Are children taking part in physical activity?
- Are the play boxes being used?
- Are play leaders assisting with play?
- Are staff supporting/ monitoring the activities?
- Are the children behaving appropriately?

- Most children were taking part in physical activity including play football, bat and ball, basketball, bowling pins, etc.
- The blue box was being used.
- The LEGO was not out – needs to be out every lunch time.
- Some people use the books in the gazebo but they are not used a lot.
- Play leaders need to be refreshed on their role.
- Some staff were playing/helping the children. Others were just monitoring.
- All children appeared to be behaving appropriately.

More ball based activities such as tennis.  
Look into bringing a break time box out.  
The councillors would love a cage (with AstroTurf if we have the money). Everyone loved this idea.
