This Week at Derby Cathedral School

wc 4th December 2023

In Genesis 1:26, God says:

"Let us make humans in our image, in our likeness, so that they may rule over the fish in the sea and the birds in the sky, over the livestock and all the wild animals, and over all the creatures that move along the ground." For us at DCS this is a reminder that God has given us the responsibility to care and look after the natural world that He created – we are therefore expected to be good stewards of the planet and its resources.

Dear Parents/Carers,

I'd like to start with a big thank you for the support our students and yourselves have shown towards our Christmas social action project. We know that times are not easy and showing generosity is even more appreciated. I'm sure that Derby City Mission will be delighted with our donation; it is a lovely way for our community to say thank you for their support with our breakfast provision over the year. Please see the article below for more details.

This week has seen the start of some of our Christmas preparation. The school Christmas trees are up and we're especially impressed with the science department and their Chemis-tree! We have also started planning the final week festivities and aim to give students a good balance between having a focus on why we celebrate Christmas and spending some time celebrating!

Our performing arts team are really busy preparing for the KS4 trip to Hamilton in London and a number of Christmas performances. We are also looking forward to our year 8 & 10 students visiting Derby Cathedral for a Christmas service.

We recognise that we are coming to the end of a long Autumn term. We still have a focus on learning and so we ask that you continue to support school by ensuring your child/children have all of the necessary equipment with them everyday. Every student needs a school bag with their reading book, planner, calculator and full pencil case. It will impact them negatively if they have any of these items missing.

Please also remember that school finishes at 12pm on Friday 22 December for all students.

Yours faithfully

Mrs Brown

FAITH in Action

We were so delighted this week when we were presented with this plate from Lilly H in year 7. It is fantastic to see how she has taken such time and care to highlight our FAITH values in such a creative way. Not only did Lilly make this plate but she also made a lovely Christmas tree decoration too which is now hanging on our Christmas tree. Well done and thank you Lilly!

Derby City Mission Collection

Our school community has really pulled together and collected an incredible amount of food and toiletries donations for Derby City Mission. A group of Sixth Form students have been busy sorting it all into categories to make it easy for Derby City Mission to distribute in the most effective way possible! Thank you to everyone who brought something in, no matter how small!

Scholastic Book Fair

The Scholastic Book Fair is running this week over three days Tuesday 12th December – Thursday 14th December.

Students are able to browse a large selection of books on display in the LRC and can take a Wishlist home for parents to pay for books online, or students can pay with Class Charts points as in previous fairs. Or parents can purchase gift vouchers for students to use in school.

All books purchased will help the school win free books to add to our school resources as well!

We are holding our Christmas Concert on Thursday 21st December. It will include acts from all year groups from Year 7 up through Year 12, and the evening will be ran and organized by the Year 12 Music Performance students.

The concert will start at 6:30pm however all student performers are required to be at school for 5:45pm for a sound check. Refreshments will be available in the canteen from 5:45pm.

Tickets will cost £4 for adults and £2 for children/concessions.

Students will be required to wear full uniform however we are encouraging students to add a Christmas accessory (Santa hat/tinsel).

We look forward to seeing you there!

Christmas Trees!

Following the INSET Day on 1st December, students came back to school on Monday to Christmas trees decorating several areas of the school!

We have a real 12-foot tree in the LRC, a tree in Main Reception, the Staff Room, and the Sixth Form room, as well as this wonderful Chemis-tree in the Science Prep room!

Criminology Trip to the University of Derby

The Year 12 Criminology students enjoyed a successful educational visit to the Criminology and Law Departments at the University of Derby on Wednesday 6th December. The visit included a lecture on Cyber crime and a visit to the in-house court and police custody suite. The students had a great time and we look forward to forging further links with the University.

Lost Property

We have gathered up another mountain of lost property over this half term!

Lost Property is put out on dining room tables every Thursday after school and first thing Friday morning for students to have a look through and collect anything that may be theirs. It will also be going out every day next week to give students the best possible chance to collect their belongings.

Please encourage your children to look through this if they have lost anything.

There are coats, jumpers, blazers, bags, shoes, PE kits, and more!

IMPORTANT: All items not collected by the end of the day on the last day of term will be donated to charity over the Christmas break!

We always check lost property for names, and any items with names in are returned to students. If parents can please ensure to put students' names into coats, bags, etc, this would greatly increase the chances of them being returned!
