## Newsletter

September 2021

Dear Parent(s) and Carer(s),

Welcome back to the new school year. It's an incredibly busy and exciting time for us all with the move to our new site. As I emailed recently, students have coped incredibly well with all of the changes they're experiencing. The school move has been a huge undertaking for all of us. I do thank you for your patience with us too. It's a fine balancing act with giving you the information that you need but not swamping parents/carers either.

This newsletter is designed to give you some key pieces of information all in one place so that you don't receive too many emails about separate situations. Please do take some time to read through them.

We are really looking forward to putting on events for parents to be able to come and see the building. We have to run the year 6 open evening first as the deadline for their school admissions is soon. We will be advertising dates for parents of existing students to visit. These will be organised for each year group so that you can hear some key information about your child's experience in that year and then have the opportunity for a tour. Again, please bear with us as we are still extremely busy and need to calendar these events to make sure they are manageable. We will provide dates in the near future.

Our seventh session activities begin on Monday. A big thank you to all staff for their time on these. We are aiming for every student to participate in at least one every week. This will enrich their school experience and provide wider opportunities for them.

We have also had a few questions about the service in the dining room. After the first two days, this has become a much quicker process and there is no queue for the last 10-15 minutes of every lunch service. There is also plenty of food and seating. If your child is still struggling with this time, please do let their form tutor know.

We also have just been informed by the government that schools will be used to host vaccinations for 12-15 year olds. Please be aware that we have no part in deciding or influencing consent for these and school staff do not take part in the administration of these vaccines. Schools host the vaccination team who do all of the work related to the actual vaccinations. I am aware that there will be a wide range of emotions and wishes amongst parents about this. You will be asked to give consent using an electronic platform (see relevant item in newsletter). This will determine whether your child has a vaccine or not. Some parents have already emailed over this matter but please be aware that we cannot make any decisions about whether a child has a vaccine or not. Therefore it is really important that you provide the relevant consent according to your wishes and that of your child.

Schools will also be hosting the flu vaccinations for all year groups. Again, these are organised by the NHS school vaccinations teams.

In our next newsletter we will have more information about updates related to learning. This edition is purely for useful information at the start of term.

Thank you, as always, for your continued support for your children and the school. It makes such a difference and we are all really proud to belong to our fantastic community.

Yours faithfully  
Mrs Brown

## Notices

### Traffic

Thank you to all parents using cars to site. Traffic continues to have settled down and the pick-up and drop-offs seem very smooth. Thank you to all parents for your patience and for giving us some encouraging and positive feedback as we've tweaked the process. Please note that Sudbury Road (opposite school) is an access only road. We are still waiting to hear conformation of the dates of the local roadworks and will inform parents/carers as soon as we hear.

### School Photographs

Jane Stapleton School Photography: Friday 24 September 2021

Our annual school photographers will be visiting on Friday 24 September. Students will this year be able to have their images taken with siblings. Proofs and details of how to purchase will be sent direct to your home address.

### Medication in School

If your child requires long or short term medication to be taken in school including an Epipen or Asthma Inhaler, please inform the school office straight away so that we may complete the necessary consent forms and store their medication accordingly. Many thanks.

### Seventh Session

Seventh session activities begin week beginning Monday 20<sup>th</sup> September. They run from 3.05 – 4pm and students will be expected to stay for the whole session. All students have been given a paper copy of these and the timetable has been emailed home. This will be put on the school website so please check for updates during the school term.

### Coronavirus Updates

Our risk assessment and outbreak management plan documents are available on our website. Students are encouraged to take two lateral flow tests each week. If they haven't been given one in school and you would like to take these tests, they are available from many places in the community including pharmacies.

For those who take the LFD tests, you will have received an email about our school being chosen as a quality assurance school. This means students/staff will take a PCR tests at home in order for the government to check the accuracy of the LFD tests. All information is in the email; please do get in touch with us if you have any further questions.

### ClassCharts

Please make sure that you have signed up to the Clascharts app. Many parents have given us positive feedback about being able to see the rewards and sanctions each day.

## Vaccinations

### Covid Vaccinations

Please see below a letter from DCHST Immunisation Team regarding the covid vaccination programme:

Dear Parents/Carers,

Following national guidance we will be offering the Covid-19 vaccination to young people age 12 – 15 and will be continuing to use the e-consent as with other vaccine programmes. The flu vaccination is a separate form so please ensure you complete both consent forms if you wish your child to be vaccinated.

**Children must be 12 on the day of vaccination. Please only complete the consent form if your child will be aged 12-15 on the day of vaccination.**

Please visit <https://www.derbyshireandcityimms.co.uk/Forms/Covid> to complete the consent form.

Your unique school code for **Derby Cathedral School** is **DC143734**

**Please be aware that due to storage requirements of the vaccine the team will need to know the number of vaccines needed in advance and therefore the consent system will close 24 hours prior to the session in school. If your school session is on a Monday, the form will close the Friday before.**

For more information about the vaccination please visit [COVID-19 Vaccination - A guide for children and young people](#)

If you experience any problems completing the consent form or would like further information please call the School Age Immunisation Team as below.

### Flu Vaccinations

Update from DCHST Immunisation team regarding Flu Vaccinations:

For the school year starting September 2021 we will be continuing with the e-consent for the Flu Programme. This year we will be offering the Nasal Flu vaccination to children in **Years; 7, 8, 9, 10 and 11**. **When completing the e-consent please state the year group your child will be in at the beginning of the school year September 2021**. Please visit <https://www.derbyshireandcityimms.co.uk/Forms/Flu> to complete the consent form.

If you wish to decline the Flu spray due to the porcine element we may now be able to offer an alternative injectable Flu vaccine that does not contain porcine. Please complete the consent form as a decline (due to porcine) and we will then contact you to arrange vaccination. For more information please contact the team as below.

Your unique school code for **Derby Cathedral School** is **DC143734**

For more information about the vaccination please visit our website:
