

Y12 summer work

Please go and see some theatre and complete the following sheet. If you have recently seen a production and you would like to write about that, it is fine. Equally, you may see lots of performances and pick your favourite to write about/ write more than 1 sheet ☺

Name of production:

Venue:

Date seen:

Type of staging (proscenium arch/ thrust/ in the round, etc):

Describe a moment in the production that really stood out to you, and say why:

Describe an actors performance that you were impressed with, what did they do to be so effective in their performance?

Can you think of any way the performance could be even better (you may consider production elements, such as sound/ lighting/ costume, etc)?
