

Winter Pressure Single Contact Point

The Winter Pressure Single Contact Point is a signposting, referral and advice service open Oct - March 2023, by professional referral only.

Areas covered include:

- Housing including cold homes, emergency heating and fuel poverty.
- Financial and employment concerns, access to food, pharmacy deliveries and social connection.
- Practical help including reducing slips and falls, and links to other support offers. Please note some support services have eligibility criteria.

For a referral form:

- Go to derbyshire.gov.uk/winterpressures
- Or email healthandwellbeing@derbyshire.gov.uk
- For Derby City residents visit derby.gov.uk/cold-weather or call **01332 640000** and select **Option 5**
