Vulnerable staff or students contracting COVID-19 from being in school	Staff deemed vulnerable (see government list) are likely to experience worse symptoms and additional health issues if contract COVID-19	Staff and student survey undertaken to determine individuals that are clinically vulnerable/clinically extremely vulnerable – where identified in an at risk category an individual risk assessment will be put in place to provide adequate controls within school in line with Government guidance. Where students health is such that they are required to remain at home, suitable home learning support covering whole curriculum to be developed on an individual basis.	Seek medical advice where needed  Information to parents includes contacting school if they feel their child is at a higher level of risk	Send out information to parents 17/7/20	
Congestion when accessing or leaving school grounds – controlling mixing of Designated year groups.	Students, staff, visitors, and the general public becoming infected with COVID-19:	Start and finish times staggered for Designated year groups, to reduce congestion, different entrances and exits used where possible. Parents/carers are not permitted onto the school grounds unless by prior appointment to ease pedestrian and vehicle congestion on site. Students are not to arrive more than 15 minutes before their start time and this is only acceptable if public transport is being used. Designated year groups are given clear information about entrances to use/times for	Clear plan to be documented detailing different year group start and finish times and entry/exit points and communicated with parents/carers and students  System to be in place to manage students who arrive late or are not collected on time.	Inform staff of arrangements in staff meeting 15/7/20  Send out information to parents 17/7/20	

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
		<p>drop off and collection.</p> <p>On arrival students to make their way straight to their designated registration point/classroom, staff will be supervising outside to monitor the mixing of year groups and congregation of groups of students.</p> <p>At the end of the school day students will be encouraged to leave site immediately (unless attending a planned after school activity), by their designated exit gate/pick up point.</p> <p>All staff to enter and exit by the main school entrance ensuring that they maintain appropriate social distancing with all other staff and students.</p> <p>Where possible all staff will arrive at in school prior to the bulk of students arriving (contracts permitting).</p>			
Congestion or inability to adequately manage students accessing or leaving school building or moving around during class changes	<b>Students, staff, visitors, and the general public becoming infected with COVID-19:</b>	<p>Students are given clear instruction regarding maintaining a suitable social distance from each other and staff.</p> <p>Sufficient staff will be on duty to supervise students at the beginning and end of the day and during class changes and recreational times.</p> <p>Timetables to be planned so as far is possible so that students stay in set classroom/areas of the building and staff move around instead.</p> <p>One-way systems and clear signage to be put</p>	<p><b>Plan student induction sessions for September</b></p> <p><b>Re-rooming to be completed on timetables</b></p>	<p>Inform staff of arrangements in staff meeting 15/7/20</p> <p>Send out information to parents 17/7/20</p>

		in place to reduce the risk of year groups mixing. Social distancing signage and floor markings displayed.		Student induction sessions in September	
Inadequate management of circulation areas	Students, staff, visitors, and the general public becoming infected with COVID-19	The movement of staff and students around the school to be planned and managed when accessing different areas for break times, lunch times within "Designated Year groups" Unnecessary movement around the school restricted by timetabling and staff moving between classrooms rather than students. Whilst it is acknowledged that fire doors play an integral role in school safety, it is currently assessed that key corridor doors will be held open to avoid handle contamination. Fire doors to be closed when students leave site.	Consider one-way system, produce a plan, and put some directional arrows on floor/walls - this will be managed by years 8 & 9 using a different staircase each.  Designate a person to be responsible for this.	Inform staff of arrangements in staff meeting 15/7/20  Student induction sessions in September  Adjust fire plan – disseminate in Sept INSET	
Ineffective personal hygiene measures	Students, staff, visitors, and	Robust handwashing promoted. Staff and students are requested to wash hands prior to leaving home in the morning.	(Suggest NHS video for handwashing) <a href="#"><u>NHS video</u></a>	Inform staff of arrangement

	injury through inadequate support and treatment	to attend first aid areas as required. For significant injuries, a trained first aider must be immediately called to attend the individual either in their designated first aid area or in situ if cannot be moved safely. All incidents of first aid must be recorded a trained first aider reviewing on a daily basis.	provided to science, DT and PE areas.	updated  Communicated to staff 15/7/20	
Possible contamination by close contact when providing first aid or care to students	Students, staff, visitors, and the general public becoming infected with COVID-19:	Standard universal hygiene measures should be followed in line with first aid training at all times, disposable gloves are universally recommended to be worn when providing first aid and this should be adhered to. Where the injured part is able to, guidance should be given, and first aid applied to themselves. It is not deemed necessary to wear a face mask when dealing with student first aid even if social distancing cannot be maintained – refer to Government Guidance. If treating a staff member or other adult, it is recommended a fluid resistant face mask be worn if adequate social distancing cannot be maintained. Relevant PPE (Gloves, aprons, and fluid resistant face masks) must be available in all first aid areas. (see contaminated waste)	With older students a degree of social distancing should still be maintainable. Additional PPE available if needed	Communicated to staff 15/7/20

		<p>On arrival at school, hands to be sanitised in line with standard arrival procedures</p> <p>Hand sanitiser not to be left in vehicle due to risk of explosion.</p>			
Inadequate social distancing and contaminated surfaces on public transport	Students and staff becoming infected with COVID-19	<p>It is strongly advised that wherever possible the use of public transport should be a last resort.</p> <p>Walking, cycling etc. to get to school should be considered as an alternative.</p> <p>Where staff and students access school by public transport, they must wear a face covering at all times.</p> <p>On exiting public transport, face masks should carefully doffed to avoid contamination and placed in a sealed plastic bag.</p> <p>On arrival at school, hands to be sanitised in line with standard arrival procedures.</p>	<p>Guidelines re public transport and face coverings included in information to parents.</p> <p>Travel survey to parents to assess demand</p> <p>Additional bins to be provided by every entrance</p>	Travel survey to parents 10/7/20	
Off Site Activities and use of third-party facilities	Students, staff, visitors, and the general public becoming infected with COVID-19	<p>Overnight and overseas visits will not take place.</p> <p>Any off-site activity will be thoroughly risk assessed in line with educational visits policy and visits will only take place with students from an individual Designated year group.</p>		Communicated to staff 15/7/20	
Behaviour and wellbeing of Students	Students and staff	Review of current risk assessments that individual students may have.	Review of behaviour policies to ensure Covid-19 related	Behaviour policy	

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
SEND Behaviour		Consider risk assessments for other students who may not previously have been risk assessed in view of current circumstances who may pose a risk; or who may need specific care that cannot be delivered while social distancing; or potentially violent students. SENDCO available in school	incidents are covered  Consider any PPE needs  If SENDCO not in school what arrangements are in place to cover – HLTA/SLT to cover	updated and on website by 1/9.20  Additional behaviour expectations in information to parents 17/7/20	
Ineffective safeguarding measures	Students may be more vulnerable during times of uncertainty, stress, or financial strain	School has robust safeguarding measures in place that have been (reviewed in line with additional risks that may be encountered during the Covid-19 outbreak), with a Designated Safeguarding Lead who is available. All staff have had safeguarding training. Staff have been reminded of the importance to look out and not changes to “normal” behaviours of Students and report any concerns immediately	Have you reviewed your Safeguarding procedures? Is your DSL in school and available?	Increased DSL team – further 5 staff DSL trained  Safeguarding policy updated by 1/9/20	
Stress and anxiety of staff due to uncertainty, changes to working arrangements,	Staff may experience higher levels of stress and anxiety	School have stress and wellbeing procedures in place with staff able to access resources to gain support both via school and externally. Mental health and wellbeing information has been shared with staff. SLT regularly checking on staff and have an	Review procedures and support available to staff  Mental Health information to be displayed	Promotion of ‘Everymind’ app for staff in staff mtg 15/7/20	

What are the hazards?	Who might be harmed and how?	What are you already doing?	Do you need to do anything else to manage this risk?	Action by whom and when?	Completed
changes to home arrangements and concern about contracting COVID-19	Potential increase in incidents of Domestic violence	open door to discuss concerns. SLT reassuring staff and communicating thoroughly and opening all measures, controls, and arrangements in place to maintain safety (SFAIRP).			
Stress and anxiety of students due to uncertainty, changes to working arrangements, changes to home arrangements and concern about contracting COVID-19	Students may be anxious and worried about returning, may not cope with the change in learning environments and structure of day	Discuss and communicate to parents/carers how school will work and ask them to discuss with their child(ren). Ask parents if they consider their child(ren) will have difficulty readjusting and discuss how this can be managed (some students may be better still learning at home if very anxious) Structure into school return wellbeing conversations and activities to enable students to talk about any concerns.	Consider teachers doing a video to send to their "Designated group" with information of how it will be at school and giving reassurance. Communicate with parents' information of providers who can support students and parents/carers with anxiety/mental and emotional health needs  Tutor meetings held prior to September  Transition video for yr 7 produced	Clear information to families stating expectations
