

COVID catch-up premium report

COVID catch-up premium spending: summary

SUMMARY INFORMATION			
Total number of pupils:	20	Amount of catch-up premium received per pupil:	£80
Total catch-up premium budget:	£4390 (May 2021)		

STRATEGY STATEMENT

Our strategic goal is to close the achievement gap for disadvantaged pupils and those with limited engagement with remote learning

- The overall aims of our catch-up premium strategy are:
 - To reduce the attainment gap between your disadvantaged pupils and their peers
 - To raise the attainment of all pupils to close the gap created by COVID-19 school closures

Barriers to learning

Data Sources

- › Internal assessment
- › The EEF [families of schools database](#)
- › Staff, pupil and parent consultation
- › Assessment for Learning

BARRIERS TO FUTURE ATTAINMENT

Academic barriers:

A	Low attainment in literacy, specifically reading
B	Low attainment in mathematics
C	

ADDITIONAL BARRIERS

External barriers:

D	Limited engagement with remote learning
E	Social, Emotional and Behavioural challenges on the return to school.
F	Mental health and Well-Being concerns at home and in school.

Planned expenditure for current academic year

Targeted Support					
Action	Intended outcome and success criteria	What's the evidence and rationale for this choice?	How will you make sure it's implemented well?	Staff lead	When will you review this?
One to one and small group tuition	By increasing targeted children's time spent reading 1:1 to an adult, we expect to close gaps in reading progress and ensure KS2 are reading at ARE. We expect children to close gap so that they move closer to ARE.	There is extensive evidence supporting the impact of high-quality 1:1 and small group tuition as a catch-up strategy.	We have agreed a 15-week literacy tutoring programme with TLCLIVE. The programme will target 12 children from KS2. Children will have 2 hours a week for 7 weeks. Costs £900	DL SLT Class Teachers	Baseline assessments will be conducted and impact measure according to pupil progress.
One to one and small group tuition	By increasing targeted children's time spent reading 1:1 to an adult, we expect to close gaps in reading progress and ensure KS2 are reading at ARE. We expect children to close gap so that they move closer to ARE.	There is extensive evidence supporting the impact of high-quality 1:1 and small group tuition as a catch-up strategy.	We have agreed a 12-week literacy tutoring programme with Third Space Learning for 8 KS2 children. The programme is intended to prepare these children for the transition to secondary school. Children will have 1 hour a week 1-1 tuition for 15 weeks. Costs £1452	DL SLT Class Teachers	Baseline assessments will be conducted and impact measure according to pupil progress.
Total budgeted cost:					£2352
