

In our commitment to providing comprehensive and impactful careers advice, we recognise the importance of measuring performance and assessing the outcomes of our guidance. The assessment of careers advice and destination data is a crucial component of our continuous improvement efforts.

Below is the Destination Data for our Year 13s in the 2024 Cohort.

120 Students in total.

The majority of students went on to study at higher education providers, with an increased number opting for apprenticeships. A summary of the destinations is below;
