

### **Devizes School Literacy and Numeracy Catch up Impact 2021-2022**

Students who are significantly below expected attainment on entry to Devizes school follow an amended curriculum that supports literacy and numeracy skills with additional curriculum time in English and maths each week.

In addition to this all students undergo baseline testing in term 1 and the curriculum is adapted to address gaps in skills and knowledge as student progress through year 7.

#### **Summary of Impact**

	Number of students below national expectation on entry to year 7	Number of students caught up at end of year 7	Percentage of students caught up at end of year 7
English	33	25	76%
Maths	26	26	100%
