

## Year 9 Options for September 2020

### An opportunity to start shaping your future

What: A mini options process for some subjects in CAPA and D&T

Choose 2 options you wish to study for 5 lessons per fortnight from:

**Dance, Drama, Music, Art  
Textiles with Graphics, Food, Product Design with Graphics**

Choice

**1**

**2**

**3**

(a good alternative if you do not get your first 2 choices)

A diagram showing three choice boxes. A central point has three arrows pointing down to three empty rectangular boxes. The boxes are labeled 1, 2, and 3 from left to right. Box 3 has a note below it: "(a good alternative if you do not get your first 2 choices)".

You are **strongly advised** to study these subjects in Year 9 if you want to choose them at Key Stage 4

Why:

- more insight into certain subjects, “try before you buy”
- more depth into certain subjects
- better preparation for Key Stage 4
- early filtering now to make options easier in Year 9

Other subjects available at Key Stage 4, in addition to the above, where you will have to study 3 subjects:

French, Spanish, History, Geography	<i>You will have to study at least one of these</i>
Enterprise, IT, PE, Sport, Health & Social Care, Photography
