

# Devizes Dispatch

## Mr. Cave's weekly message:

It's been a busy week at Devizes school- Year 11 had their mock exam results assembly, with an opportunity to reflect on their progress to date and next priorities. We've had House Assemblies as Avebury, Roundway & Silbury look to make their charge towards the Championship, and there's been sporting success for our Year 7 students on the football pitch.

The highlight of the week however has to be last night's Celebration Evening, where we came together with parents & students to celebrate some of the most notable achievements of the previous academic year. To see proud families coming together and the smiling faces standing with trophies & certificates was wonderful. These students have rightly been praised for their attitude and achievement across the last 12 months. Congratulations to all involved!

We also launched our Christmas Activity this week- after the success of Nailed it November we are now in our "12 Days of Christmas", where attendance & behaviour is being rewarded with daily prize draws. Non-uniform days, Domino pizza lunches for students & friends and other grand prize are on offer for those who are our attendance heroes in the run up to the end of term- good luck everyone!
