Raising aspirations, building futures

Thursday, 26th January 2023

Dear Parents and Carers,

Devizes School Sixth Form from September 2023

Following consultation with Lavington School, we have taken the joint decision that, from September 2023, all classes for our new year 12 students will be delivered at the Devizes School site. This will ensure that we continue to provide the highest quality of education, pastoral care and personal development to our students.

Students who are currently studying year 12 courses on the Lavington School site will continue to study there when they progress into year 13. The change outlined above only affects students entering year 12 from September 2023 onwards.

We value the partnership that we have shared with Lavington School over a number of years and we remain committed to offering a broad curriculum offer to local families. We look forward to welcoming students from Devizes and its surrounding areas into the Devizes School Sixth Form.

If you have any questions about the information above, please contact Ben Chamberlain, Acting Head of Devizes School Sixth Form, in the first instance.

Yours faithfully,

Mrs. R Harper
Principal
