Year 1 and Year 5 enjoyed a workshop from the Muslim Learner Services Group. Mr Kotwal delivered a dynamic workshop which raised awareness and understanding of Islam and Muslims in Britain. The children were all engaged and enjoyed learning new facts.

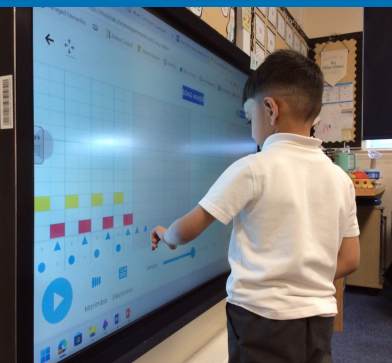

A very big thank you to some of our Y2 parents/carers who have generously donated funds to spruce up our Y2 outdoor area, and a special thank you to Kit's mum and Axelle' dad who gave up their own time on Wednesday to create this wonderful nature space for our children.

Chrome Music Lab is a fantastic resource for developing our musicianship skills! And even better, it's free. Reception, Year 1 and Year 3 have been using it this week to experiment with their composition skills, making patterns, testing out motifs and listening critically. They used these skills to refine and improve their songs.

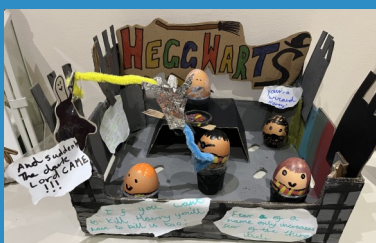

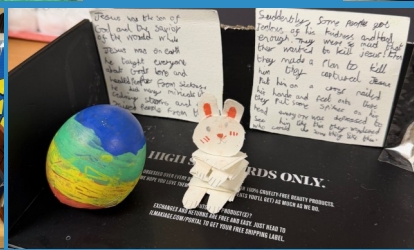

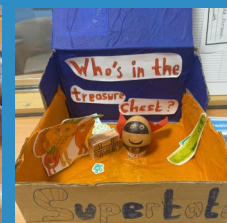

Song Maker is a free programme made by Google. Why not have a go during the Easter holidays, you access it [here](#)? You could create your own song, or test your aural skills and input a song you already know. Feel free to send your compositions to office@devonshire.bolton.sch.uk.
