## Science Competition @ Bolton School

This week, four of our year 4 children, Lucas, Charlie, Armaan and Rory, took part in a science competition at Bolton School. They carried out various challenges such as, fingerprint testing, fake blood inspections, chromatography and microscope work. The aim was to find out which suspect, Daphne, Fred or Velma, matched the evidence. The children were competing against 10 other local schools and the ywon! We are extremely proud of you all, your enthusiasm and teamwork shone through!

VE Day acknowledges the end of World War II in Europe on 8th May 1945. The 80th anniversary this week provided a time to remember and thank the people who helped bring peace to our country. Around the country there have been special events. Our children had an informative assembly which taught them all about the importance of the Victory in Europe, they also enjoyed a special lunch which they enjoyed eating outside in the sunshine on Thursday.

## EYFS Local Area Walk

Our EYFS children had a great time walking to Morrisons to buy the ingredients for our smoothie. Everyone showed excellent road safety skills along the way, and we had fun searching for the different items we needed, using our widget boards to help us. We especially enjoyed scanning each product at the checkout and collecting our receipt at the end. Well done, everyone—you all did a fantastic job.

## This Week in Year 6

On Wednesday, Y6B had a brilliant PE lesson showcasing the rounders skills that they have developed over the past few weeks. Mrs Hartles saw some fantastic fielding and batting but more importantly they all demonstrated excellent teamwork!
