A message from Mrs Hodge...

Welcome back! We hope that you all had a lovely winter break and that all those celebrating Christmas enjoyed the festivities. We have been so impressed with the children who have been accessing Spelling Shed, Numbots and TTRockstars over the holidays. These are amazing apps and really support accelerated progress in spelling and maths. And it isn't too late to start a new homework routine for 2025! Please speak to your child's class teacher if you are struggling to get on the apps, or indeed if you would like some advice on setting up a home time routine. We will be more than happy to help. If you are free next Tuesday at 2:30pm, please pop along to the annex for a hot drink, biscuit and a chance to meet other parents/carers. Bolton Mental Health School Team will also be there to introduce themselves and talk about how they can work with families on our children's wellbeing. We have an exciting term ahead of us with lots of events and activities which will enrich our children's curriculum experience. All of these will be showcased in Ms. Branagan's amazing weekly newsletter and dates will be advertised on here well in advance. I can't wait to see all that spring term will bring!

Extra-Curricular clubs start next week. If your child has been allocated a place on a club, you will be able to see that club on the 'club' section of the MCAS App. If you have not yet downloaded the App, the office will have contacted you this afternoon.
