On Wednesday four of our Y5 children went to Bolton School for a Science Workshop. The theme was Scooby Doo, and missing snacks for a movie night! The children enjoyed testing blood samples, chemical powder analysis, finger printing examinations and also did Microscopic Fibre Examinations to decide who was the thief!

They also did Chromatography which is ink analysis using felt tip pens with names on IOU notes, in water. They did a soil sample analysis to identify who was the culprit.

The children, Jessica, Meenal, Yazan & Owais thoroughly enjoyed the morning and were also provided with refreshments.

Thank you to Mrs Cavanaugh for taking them.

Our EYFS—Y4 children enjoyed a live CBeebies performance this week and our Y5 & 6 children experienced a humorous workshop focused on TV and film production.

The laughter echoed through the school!

A big THANK YOU to everyone who supported Year 6 with their Enterprise Event this week. You managed to raise a fantastic £247.40.

On Thursday afternoon parents and carers from year 6 braved the wet weather and came into school to take part in our first secondary transition stay and learn. We were joined by staff and former pupils from Ladybridge and Smithills School. The children learned about the transition process and were given expert advice by our former pupils on what to do if they have any worries. The children also spent some time researching their own secondary school and finding out key information. The parents and carers found it really useful and we are certain that our students will have a very successful and smooth transition to secondary school.

Congratulations to everyone who completed last weekend's Night Run, Ironkids and Ironman 70.3 and an extra special thank you to all the families and staff who volunteered on our feed station in Queen's Park on Sunday, an incredible Team!
