

Year 1 Stay & Play

This week, the Year 1 children became mini chefs for their stay and learn. They took part in lots of fun activities, from becoming farm shop keepers to researchers and designers. The children especially loved the food technology themed learning, particularly tasting the fruit kebabs! A big thank you to all the parents and carers who could attend, the children absolutely loved the whole experience.

Year 6 P.E. WOW

On Wednesday, year 6 had a wonderful time on their PE wow! We took a walk up through our local area to Markland Hill Tennis Club to participate in some tennis, badminton and pickleball coaching. The children had a great time despite the weather being so hot! We saw some great determination and confidence which contributed to some fantastic skills!

We would like to say a big, big thank you to Mr Asad for donating glue sticks, paper and exercise books to the school. This is very much appreciated! Hamad (Y3A) is very proud of his dad's kindness!

The link below provides parents/carers with access to a free webinar (02/07/2025 @ 8:00 pm) titled 'From Surviving to Thriving: Supporting Your Anxious Child Through Transitions':

On Tuesday afternoon year 6 participated in a workshop delivered by Bolton Mental Health Team. This workshop was all about transitioning from year 6 to high school. The class discussed the worries they might feel as they embark on this new journey and strategies they could use to help with these!

Year 5 P.E. WOW

Year 5 had an amazing trip to Salford Water Sports on Monday. The children tried lots of different activities like kayaking, raft building and paddle boarding. The children's behaviour was fantastic and they all showed great listening skills during the activities. We were all wowed by the children's incredible resilience, bravery and teamwork skills!

Give it a Go!

16th — 20th June

Children need to be active for at least 60 minutes every day,
as such;

'Move More' will be our Healthy Living Week focus!

We will be sharing lots of ideas with the children:

Instead of watching TV...

Help at home, or do something creative and fun!

Instead of gaming ...

Spending time with friends.

Why not try one of these sporting activities:

The Fun Food Chef will be in school on Wednesday, Thursday and Friday, creating wonderful dishes with our KS2 children. On Monday and Tuesday, Y4 children will be active as they learn to ride. Also, all year groups have been taking part in D & T sessions involving food tasting and food preparation over the last few weeks.

RIDE FOR RESOURCES

Wednesday 18th June 2025
8.15am-3.45pm

On Wednesday 18th June between 8.15am and 3.45pm, staff and some of our older children will be keeping an exercise bike moving all day to raise money for resources for school.

This will happen outside Y1, and would appreciate any donations on the day or in advance, and lots of support before and after school.

It was a busy weekend for a lot of our families, we hope those celebrating Eid had a wonderful time and well done to all our children and their who took part in the Iron kids race on Saturday and also to Mrs Durkin who ran the 10km night run! In under 60 minutes!

It has been a very successful start to our free half an hour breakfast club, how lovely to see so many of our families benefit from that extra quarter of an hour in the morning. It also lovely to see the socialisation of our children as they eat a healthy breakfast and/or take part in the activities. We continue to serve, **toast, bagels, a variety of cereals, fruit and yogurt daily.** In addition we have introduced daily 'specials' such as sugar free breakfast fruit muffins and flapjacks, hash browns and veggie sausages. Everything served falls within the School Food Standards. Remember, **EVERYONE** is welcome to drop in!
