Determination festival

On Thursday, Smart, Veer, Sidra and Lucas A took part in a Determination Festival at Howe Bridge Leisure Centre. Throughout the day they challenged themselves in a range of activities including archery, scooting, an assault course, rock climbing, before finishing off with a calming meditation session. Each activity pushed them beyond their comfort zones, yet they rose to every challenge with enthusiasm. All children represented Devonshire Road proudly, demonstrating excellent sportsmanship, gratitude towards the organisers, and an ambitious attitude as they gave every activity their all. Mrs Branagan thoroughly enjoyed accompanying the children on this event.

Year 6 Anti-Gang Workshop

On Thursday Y6 took part in an Anti-gang Workshop. It was brilliant and the children were really engaged. One session involved taking part in lots of sporting exercises including boxing and skipping. This was to demonstrate that getting into sport or being part of an extra-curricular club reduces the risk of getting involved with gangs. The second session was led by Jason, who spoke of his first-hand experiences of gangs and how his life was changed drastically. The children were taught about which signs to look out for to avoid being sucked into a gang or gang culture. They were also taught who they could go to for help and what to do if they were worried about gangs. The children were respectful and engaged throughout and asked lots of relevant and interesting questions. The facilitators commented on how brilliant the children were!

Anti-Bullying Week

This week, we have focused on how we can be kind, respectful and use our Power for Good. We have talked about being upstanders, not bystanders. We finished the week with our 'Odd Socks Day' to show that we are all unique and all equal.

EYFS Teddy Bear Readers

Teddy bear readers—'The following children have read at least 3x a week in Autumn 1 and received their certificate and prize in their first ever assembly. Thank you so much for the ongoing support from parents and carers. Autumn 2 is a fresh start and a fresh prize which all the children are super excited about!'

Happy birthday to the following children who celebrated this week:

Eli B (Y4H)
Anum F (Y4AT)
Rayan M (Y5C)

This week we welcomed Kashan to EYFS. We hope you have settled in well.

STEM Festival

Four children from Y6 took part in a STEM competition at Bolton School (Marley, Charlie, Hamza and Lucas). They completed a variety of tasks including building a Helix model. The children worked really hard as a team and had a thoroughly enjoyable morning!

This week Year 2 had their first stay and learn. The focus was D&T and they were making cars from their own designs. The children worked really hard to make sure that their wheels were fixed correctly and their cars could roll without breaking, ready to race them down the ramp later in the afternoon. They even added extra details such as sunroofs, headlights and steering wheels. The children showed lots of perseverance and resilience throughout and really enjoyed being creative. We had a brilliant parental attendance and the children were so happy to have you there to share their learning with them.

We hope you enjoyed coming in to see what the children have been doing and we look forward to welcoming you back for our next Stay and Learn in the spring term.

Y4 Stay & Learn

At this week's reading stay & learn, Y4 children and their parents/carers had to read a variety of clues to crack the codes, using dictionaries and thesauruses. If they cracked the code they received the treasure!

Basketball Tournament

On Tuesday evening, 6 children took part in an inter-school basketball tournament at Thornleigh High School. They all played with determination, skill, and resilience, whilst being amazing team players! They were all well-mannered and showed superb sportsmanship. There were 7 teams involved and Devonshire Road made it through to the final. In the Spring term, they will take on Bolton School, Cleveland's and Markland Hill in the final!

Dodgeball Tournament

This morning 6 year one children attended Bolton Arena to take part in a dodgeball festival. They played multiple mini matches against the other schools and played girls vs boys teams. They

Autism Support Group

The Autism Support Group met this week. It was great to see lots of parents/carers and welcome new members. The chance to meet over a brew and cake is an invaluable support - celebrating achievements, encouraging each other and offering advice. If you have a child of any age and would like to attend, please come along to the next group which is being held on Thursday 22nd January at 2pm in school. If you would like more information, please contact Jane Durkin (year 2 TA). Many thanks to all who attended.

Headteacher's Award

Eesa A	YRHC	For being kind, caring and an encouraging friend to his classmates. Well done, Eesa!
Mirha A	YRHS	For excellent blending with Croc.
Hamzah A	Y1L	For working really hard this week to achieve his class promise! Keep up the amazing work!
Abdul Wali	Y1HBD	For his excellent attitude towards his learning. He is a role model to the other children and always tries his best. Well, done, Abdul!
Yahya H	Y2C	For completing some excellent science work on materials.
Zohan M	Y2F	For always trying your best and making lots of progress with your maths, well done!
Silas H	Y3A	For making a huge effort both in class and at home to start his work straight away and read every day. Keep it up!
Abdul-Qayyum	Y3G	For his excellent attitude towards learning this week. He has an amazing brain for remembering facts and has been able to recall lots of information about MLK in English and about the 80s era in music!
Mustaf A	Y4AT	For a superb effort in his writing about the journey of a refugee. Well done!
Ivy W	Y4S	For always giving 100% in whatever she does.
Jaden T	Y5C	For making super progress in swimming and for building lots of independence in your learning.
Sakina S	Y5H	For some amazing writing this week. She really thought about using adventurous vocabulary and different sentence structures.
Mohamed I	Y6HB	For absolutely blowing us all away with the effort he is putting into every area of his learning! You have made so much progress and we are very proud of you!
Charlie S	Y6P	For working super hard in all maths lessons and always getting to the challenge questions. Also for representing the school so well at the Bolton School STEM Challenge Competition.
