Silver Equality Mark

We are really happy to share that we have been awarded the Silver Equality Award. The award is intended to demonstrate how the school effectively promotes equality, diversity and inclusion and gives us the opportunity to showcase our commitment to equality. As our Equality TLR, Miss Brockless has spent several months preparing evidence for the assessors and this led to the award.

EYFS Visit to Smithills Farm

This week in EYFS, the children visited Smithills Farm where they saw a variety of farm animals, including goats, pigs and they also enjoyed riding on a donkey. The children had lots of fun, particularly when petting and feeding the animals, riding on a tractor and also exploring the play area. At the end of the day, the children had the opportunity to see the cows being milked and it was a really interesting and exciting day. Maddie, our tour guide, remarked how well behaved all the children were and the children thoroughly enjoyed exploring the different parts of the farm! Thank you to all parent and carer volunteers for making this such an enjoyable trip.

Eid Celebrations

On Monday, the whole school had an Eid Party, children played games, had an Eid assembly and enjoyed party food.

We Love to Read

The National Curriculum for English aims to ensure that pupils develop the habit of reading widely and often for both pleasure and information.

The charity, The Reading Agency and the UK public library network, each year, organise a Summer Reading Challenge. We would love as many of our children to get involved as possible and ask that they celebrate their summer reading achievements with us when we return in the autumn term. For more information, click on the link below.

The 'Soooper Books' icon below takes you to a platform which provides access to lots of free online stories.

For the safety of all our children, parents and carers, please do not drive down Baines Street or down the road that links to Thomasson where the garages are.
