First Aid Sessions

This week, Years 1 - 6 have received some basic First Aid training from Pheniks Division. They have learnt the difference between a heart attack and sudden cardiac arrest and what steps they need to take if they find someone who has collapsed. They practised chest compressions using their teddies and who they need to call when they need help. Questions you can ask your child: how long do you need to listen to see if someone is breathing? Which number do you need to ring in an emergency? Which song can you sing to help you keep in time with chest compressions?

Extra Curricular Clubs

Thank you to everyone who requested after school club places for this term, the response has been enormous. We will be sending an email out today if your child has been allocated a place. This is done by way of a draw to ensure fairness. Clubs start on Tuesday.

If year 1-6 parents/carers were unable to attend the 'Meet the Teacher' meetings last week, you are able to find out all the information that we shared on the class pages of the website. Links are on the final page of this newsletter.

The EYFS meeting will take place at 2:45pm on Wednesday 21 September in the school hall.

School Dinners

School meal charges for children in Key Stage 2 have increased to £2.30/day. If you believe you may be entitled to free school meals through the benefit system, please contact Ms Handley in the school office. A copy of the menu is available here...

Parking

We have had several incidents of inconsiderate parking around the school since our return, including a neighbour's car being dented. Please take care when parking before and after school, it is an offence to block drive-ways, block access roads and to park on the zig zags.

Help us keep our children and our community safe.

Devonshire Road Curriculum

At Devonshire Road, we pride ourselves on a high-quality curriculum that helps the children to commit learning to their long-term memory. Our website holds lots of resources and information about what the children study in each year group, including the knowledge organisers that children use for quizzes each week. Why not take a look on the link below to see what your child is currently learning about!
