Healthy Living Week

This week, the children all across school have enjoyed a variety of fun and exciting activities all linked to Healthy Living Week. KS2 classes have enjoyed the Fun Food Chef workshop where they got to prepare, cook and eat Mexican food, KS1 have immersed themselves in a Tai Chi workshop (with a parent workshop held after school too), learning about how to keep physically and mentally healthy, we have also had a Healthy Eating workshop in Year 3, an Oral Health workshop in KS1, and the children in Y6 have prepared questions for Olympic Medallist Holly Bradshaw to answer about how she keeps her body and mind healthy all year round. Not only that, but classes all around school have been preparing, tasting and eating some delicious, seasonal fruits and vegetables. What a successful Healthy Living Week!

The Admin Team

Our very special office team received an award during our Headteacher's assembly today. For their amazing work with our whole school community, especially throughout the pandemic, our office team have been awarded an "Unsung Heroes" certificate from The Pearson National Teaching Awards. This is in recognition of how they went above and beyond in their care for the community by providing bespoke food parcels (in addition to all of the other wonderful things they do). I am sure that you will join us in congratulating them.

Celebrating Good Attendance

Thank you to the volunteers from Bolton Nice who donated food for our families this week. They asked us to share information about the NICE shop on Moor Lane in town. The shop receives donations from local supermarkets of groceries that are close to their end of shelf life date. This is available to anyone, between 11am and 1pm daily free of charge or for a small donation.
