This week in EYFS

English

This week we have been focusing on a book called "Supertato" by our class author Sue Hendra. We enjoyed listening to all the different ways that Supertato saved the other veggies from the Evil Pea. Following on from our story, something had escaped from the icy depths of the freezer. It was small, green and looking for BIG trouble! Well of course, it was the Evil Pea! The children had so much fun using their detective skills to capture him and even created their own wanted posters. The children also enjoyed making their own Supertato characters and a designing a trap to capture the Evil Pea!

Understanding the World

We've had some very special visitors in our classroom! The children have really enjoyed caring for the chicks and this has brought about some wonderful discussions and problem solving as well as giving us the opportunity to introduce lots of new language like hatch and incubator. Thank you to all the parents and carers who came to see the chicks with their child.

Maths

This week in Maths, we have been learning about doubling. The children have enjoyed using butterflies to help practice their doubling skills. We know all of our doubles up to 5.

Expressive Arts and Design

In Art, we have been inspired by one of our class artists called Andy Goldsworthy. He creates pieces of amazing art using all natural materials such as leaves, sticks, rocks and stones. Using him as inspiration, we have been creating our very own pieces of art using a range of natural materials.

Year 4 Holi Workshop

On Monday, Year 4 experienced a Holi workshop in the hall. It was incredibly fun and we learnt so much. We became sacred animals and got into roles as different characters from popular Hindu stories. Our workshop ended with dancing and showers of colour!

Out of School Achievements

We thought you might like to see Jake & Lucas taking part in a special training session with Manchester City on Monday evening. They were invited to trained for an hour with MCC coaches who train all the pro players. They got certificates at the end & had a great time!

A Big Thank You to You All

We would like to thank each and everyone of you for your incredible generosity this week. We raised an incredible £868 to support The Disasters Emergency Committee who support refugees fleeing disasters across the world. Also, today, our children and staff came to school in sports gear in return for a donation towards this year's Comic relief, the total raised was £546.

The Chicks visited Year 1

Our year 1 children were really excited to meet the EYFS chicks this week.

Year 6 Bikeability

It was the turn of our year 6 children to take part in Bikeability this week, the children learnt all about how to ride their bikes safely on the roads.

Year 3 Trip to a Whitefield Synagogue
