Enterprise Week

What an incredibly successful event once again. Thank you to everyone who donated ingredients, bottles and jars and to all those families who came along on Thursday afternoon to support their Children who, along with the staff, have worked incredibly hard all week designing and creating! Your generosity meant we raised more than **£1,900**, this will be spent on new playground equipment and a nature trail.

Well done to Y1S who raised the most money, a whopping £365! Finally, a big thank you to Mrs Hickey, our event organiser!

Devonshire Road
Primary School

In 2026 we will be celebrating the school's centenary. The original outdoor school was built 100 years ago.
Plans for how we mark this historic occasion will begin in earnest in the months to come. However for now, we are reaching out to past pupils to ask for their memories of the school and also their achievements since leaving.
If you or anyone you know would be able to share experiences, please email office@devonshire.bolton.sch.uk or send a message through Facebook.

Year 2 Stay and Learn

Sarah W in Y2N enjoyed being in the hall with her parent and choosing her own pot, she chose a sunflower in a green pot, she covered it in soil and watered it. It is now in class ready to grow. Rohom In Y2N enjoyed writing the instructions of exactly how to plant a seed and for it to grow to perfection. They also drew and labelled a picture for reference. Thank you to all the parents/carers who joined us.

Easter Reading Challenge

Congratulations to Jake O (Y3A) and Menaal H (Y2F) who were the winners of the Easter reading challenge. They both received an Easter egg and a book of their choice.

Coronation Celebrations

Next Friday we will be celebrating the King's Coronation in school.

- Children are invited to wear red, white and blue or 'regal' clothes
- The children will be having a picnic lunch in the playground, weather permitting, all children will provided with their own coronation crown
- There will be coronation themed classroom activities and a royal themed celebration assembly
- Every child will bring home a Coronation souvenir

Four of our children from the Eco-Team Lotte M Y5M, Aaliyah S Y4HB, Nidhi P Y4W & Sara Y3AB went to the River Croal to see what rubbish they could collect. Nidhi said there were lots of things hidden in the ground which we dug out, she was shocked to see a bike, a scooter and even a sofa dumped! How disgusting of someone to leave it there. Aaliyah said there was so much litter everywhere in the bushes with smashed glass everywhere. The children thoroughly enjoyed their time helping the environment. Thank you to Mrs Hall & Mrs Arshad for taking them to participate.

French Link School

This week, we have received some exciting post from our new link school in France! The primary school is called Saint Exupéry Elementary School in a small town called Pechabou, Toulouse, France. They have sent pictures of their class and school building and their surrounding area and told us a little bit about themselves. We are so excited to create this new relationship and will spend the next few weeks creating our own information booklet all about the wonderful Devonshire Road! Watch this space for more information about our new friends across the pond!
