

OUR MISSION

"BRINGING OUT THE BEST IN EVERYONE!"

At Devonshire Road Primary School we strive to provide a secure and nurturing environment in which children achieve, rise to challenges, learn and grow with pride and confidence.

We challenge, inspire and develop happy, creative and resilient learners who take responsibility for themselves. We encourage children to accept that mistakes are an essential part of their learning.

We respect the values and beliefs of our diverse community as we prepare our children to embrace their part in an ever changing world.

Our journey through school together builds strong foundations and a love of learning which encourages aspirations and ambitions for the future.

A message from Mrs Hodge:

I have been a teacher for over two decades now and I wouldn't swap my job for anything. It is my absolute privilege to work at Devonshire Road Primary School! I feel extremely lucky to lead such hardworking staff who are dedicated to ensuring that our school is the best it can be at all times. And the most special part of our school is, of course, our wonderful children and their families. This will be my third year of being Headteacher at Devonshire Road and I am looking forward to seeing what this year brings - we certainly don't sit still! Everyday is different and exciting and filled with possibilities.

A message from Mrs Abraham:

Devonshire Road is a wonderful school where all children and staff love to be. Although there have been plenty of challenges this year, we also have had lots to celebrate. I am so proud of your resilience, determination, kindness and curiosity and how this has continued to develop, and I'm very excited to see where this will take you next. Let's enjoy the next year: making plans, continuing to build friendships and dreams, and being happy.
