- Skeletons and movement
- Plants

A message from Mrs Hodge:

I have been a teacher for over two decades now and I wouldn't swap my job for anything. It is my absolute privilege to work at Devonshire Road Primary School! I feel extremely lucky to lead such hardworking staff who are dedicated to ensuring that our school is the best it can be at all times. And the most special part of our school is, of course, our wonderful children and their families. This will be my third year of being Headteacher at Devonshire Road and I am looking forward to seeing what this year brings - we certainly don't sit still! Everyday is different and exciting and filled with possibilities.

A message from Mr Abraham:

I am so excited for the next academic year! I cannot wait for you to all be in your new classrooms with your new class teachers. We are all going to have so much fun and make so much progress.

If you believe in yourself, and you try your hardest, you can achieve more than you think. Challenge yourself this year, learn from your mistakes and keep on learning as much as you can.

We can do this together!

OUR MISSION

"BRINGING OUT THE BEST IN EVERYONE"

At Devonshire Road Primary School we strive to provide a secure and nurturing environment in which children achieve, rise to challenges, learn and grow with pride and confidence.

We challenge, inspire and develop happy, creative and resilient learners who take responsibility for themselves. We encourage children to accept that mistakes are an essential part of their learning.

We respect the values and beliefs of our diverse community as we prepare our children to embrace their part in an ever changing world.

Our journey through school together builds strong foundations and a love of learning which encourages aspirations and ambitions for the future.
