## Year 1 Trip to Blackpool Zoo

Year 1 had a fantastic day at Blackpool Zoo! The children and staff thoroughly enjoyed exploring the zoo and represented our school beautifully throughout the trip. It was a wonderful opportunity for the children to see many of the animals they've been learning about in Science lessons. Some of the favourites included the lions, giraffes, otters and monkeys. The children were excited, curious, and full of questions as they walked around the enclosures. It was a memorable day packed with learning, laughter, and fun. A big thank you to everyone who helped make this brilliant trip possible!

## Year 2 Cricket Festival

Mrs Durkin and a parent volunteer took a group of year 2 children to a cricket festival at Egerton Cricket Club on Thursday morning. The children enjoyed learning about cricket and put into practise the skills taught. They worked well together as a team and had lots of fun in the sunshine!

Next Thursday, EYFS parents and carers are invited in to school from 2:30pm for a Teddy Bear's Picnic. This will be a lovely opportunity for children to share reading books with their friends and family. Children are welcome to bring a teddy bear to the picnic.

Our **summer fair** is on

**Wednesday 9th July.** There are lots of fun stalls, refreshments, a bouncy castle and a small merry-go-round!

We also have our amazing hamper raffle **£1/ticket**, the prizes include:

# Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

**To enjoy the water safely and make the right call...**

- **Enter slowly and carefully**  
Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers\*. Are you really a good swimmer?
- **Stay within reach**  
Don't go too far and stay within a standing depth.
- **Always be supervised**  
Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

**In an emergency...**

- **Call 999**  
If you are at the coast, call 999 and ask for the Coastguard. Don't enter the water to rescue.
- **If you're in trouble FLOAT and call for help**  
Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

STOP AND THINK

STAY TOGETHER

CALL 999

FLOAT

# ALWAYS FOLLOW THE WATER SAFETY CODE

Whenever you are around water:

## STOP AND THINK

Take time to assess  
your surroundings.

Look for the  
dangers and  
always research  
local signs and advice.

## STAY TOGETHER

When around water  
always go with  
friends or family.

Swim at a  
lifeguarded venue.

In an emergency:

## CALL 999

If you are at the  
coast, call 999  
and ask for the  
Coastguard.

Don't enter  
the water to  
rescue.

## FLOAT

Fall in or become  
tired - stay calm, float  
on your back and call  
for help.

Throw something that  
floats to somebody  
that has fallen in.
