Summer Fair

Next Thursday at 3:30pm, we will be holding our Summer Fair. Thank you to everyone who sent in chocolates, bottles and

'colour' raffle donations this week. Also, a big thank you to everyone who has already bought raffle tickets. We will be holding a separate cake raffle this year. Tickets for this and additional tickets for the main raffle are available in the office. There will be lots of stalls, fun games and refreshments. The proceeds are used to purchase resources which benefit all of our children. The school council will be discussing this with their classes over the next week and we will share the decision on next week's newsletter. We look forward to seeing you there and hopefully the sun will shine for us!

Shakespeare Festival

On Monday, our Year 6 children visited the Lowry Theatre to perform on stage their sections from Shakespeare's play Macbeth. The children have shown great resilience, effort and determination on the weeks building up to this and blew us all away on the day! The children represented the school brilliantly all day and we couldn't be more proud of the confidence, bravery and expression that were shown whilst they performed on the stage. Well done Year 6 - you were AMAZINGLY BRILLIANT!!!

Year 2 Trip to Formby Beach

Year 2 travelled to Formby beach this week as part of our Geography topic on coasts. The children had a wonderful time exploring the features of the seaside, playing on the sand, paddling in the sea and collecting shells. We were very lucky with the weather.

Bolton Children's Fiction Awards

Some of our year 6 children visited Bolton School on Tuesday as part of this year's Fiction Awards. The selected children have had the year to read the shortlisted 6 books before voting for their favourite. On the day, we got to meet the author of the winning book (Helen Rutter - The Boy Who Made Everyone Laugh). The children found her speech funny and engaging. We loved hearing about her journey to become an author and she even gave us some techniques to use when writing our own stories!

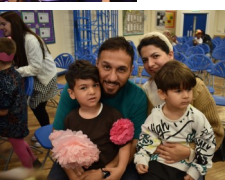

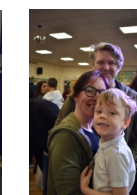

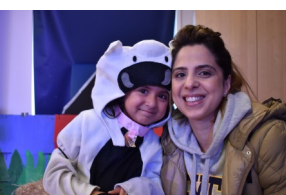

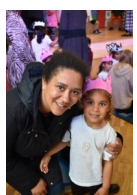

Year 4 Stay and Learn- The Big Fab Quiz

On Thursday, Year 4 took part in the Big Fab Quiz of the Year. It was a huge success as children demonstrated their learning from across the year by answering lots of questions in 10 different rounds. It highlighted just what knowledge they have transferred to their long-term memory! Well done and a huge thank-you to everyone who participated and helped us make it such a triumph!

EYFS Summer Performance

The children of EYFS put on a fabulous production of 'Hats Off' this week. The play was full of humour alongside lots of learning about the seasonal changes throughout the year. The EYFS children performed their lines loudly and clearly as well as singing beautifully. The children cannot wait to do it all over again on Monday morning. A big thank you to everyone who attended. Please check Tapestry for more photographs.

The next performance is on Monday 11 July @ 9:30am.

For the safety of all our children, parents and carers, please do not drive down Baines Street or down the road that links to Thomasson where the garages are. This is happening more and more at drop off and collection and is creating an obstruction as well as a hazard. Thank you for your support in keeping our children safe.

We Love to Read

The National Curriculum for English aims to ensure that pupils develop the habit of reading widely and often for both pleasure and information.

The charity, The Reading Agency and the UK public library network, each year, organise a Summer Reading Challenge. We would love as many of our children to get involved as possible and ask that they celebrate their summer reading achievements with us when we return in the autumn term. For more information, click on the link below.

The 'Soooper Books' icon below takes you to a platform which provides access to lots of free online stories.

Devonshire Road Curriculum

At Devonshire Road, we pride ourselves on a high-quality curriculum that helps the children to commit learning to their long-term memory. Our website holds lots of resources and information about what the children study in each year group, including the knowledge organisers that children use for quizzes each week.
