<p><b>Semantic Knowledge</b> What we want our children to know and understand.</p>	<p><b>All About Me/Families</b></p> <ul style="list-style-type: none"> <li>Families come in all shapes and sizes.</li> <li>We are all unique, but other people can have similarities to me.</li> <li>It is good to be different and we must always show kindness and respect towards everyone.</li> <li>The different members of their family and their own likes and dislikes.</li> </ul> <p><b>Celebrations: Diwali, Bonfire Night and Christmas</b></p> <ul style="list-style-type: none"> <li>Different people celebrate different things and have different traditions.</li> <li>Bonfire Night is on the 5th November. People celebrate with bonfires and fireworks.</li> <li>Remembrance Day is on the 11th November. We remember all the people who have died in wars. There is a time of silence at 11am.</li> </ul>	<p><b>Homes and Habitats</b></p> <ul style="list-style-type: none"> <li>That there are different types of houses and they have changed over time.</li> <li>Different types of animals live in different habitats based on their needs e.g. A shark will live in the sea/ocean.</li> <li>That a woodland habitat is different to a polar habitat and why.</li> </ul> <p><b>People that Help Us</b></p> <ul style="list-style-type: none"> <li>Some of the services that help people are the NHS, police, fire service and teachers.</li> <li>Some of the services that help animals are vets and charities such as the RSPCA.</li> <li>Can explain the role of these services through role play and talk.</li> <li>That anyone can work for these services regardless of their gender or race and anyone can get help from these services.</li> </ul>	<p><b>Growing and Life Cycles</b></p> <ul style="list-style-type: none"> <li>The life cycle of a butterfly and chick.</li> <li>That humans grow from a baby to an adult and the steps in between.</li> <li>Humans and animals need food, water, oxygen and shelter to survive. It is important to stay healthy by eating a balanced diet, exercising, drinking enough water, getting enough sleep, following good hygiene.</li> <li>Baby animals are sometimes known by different names to the adult. Some baby animals do not look like the adult</li> </ul> <p><b>Travel and Transport</b></p> <ul style="list-style-type: none"> <li>There are different modes of transport for land, air and sea (children can name and sort modes of transport)</li> <li>Modes of transport has changed over time.</li> </ul>

- Diwali is the Hindu festival of light.
- Christmas takes place on the 25th December and is a Christian Festival celebrating the birth of Jesus. Not everyone celebrates Christmas.

**Seasonal Change**

**Autumn – Winter**

- The seasons are autumn, winter, spring and summer.
- In autumn some leaves change colour and start to fall off trees.
- Not much grows in winter. It is cold and can sometimes be snowy and icy.

- That a hero is not just a superhero and there are heroes all around us.

**Seasonal Change**

**Winter-Spring**

- In spring it starts to get warmer and things start to grow again.
- Lots of animals have babies during spring.
- In spring, there is quite a lot of rain.

- That people go on holiday using different types of transport
- Children will be able to talk about how some modes of transport are healthier for us and the environment more than others.
- How to cross a road safely

**Seasonal Change**

**Spring-Summer**

- In summer, the weather usually gets warmer and some days are very hot.
- People wear sun cream to protect them when it is hot.
- Lots of trees and plants produce fruit during the summer.
