## Key Knowledge

The first book of the **Bible** is the book of **Genesis** which tells Christians the story of how **God** created the world and everyone in it. This is known as the Story of **Creation**.

The story tells Christians how God made the world in six days and then on the seventh day he rested.

Although some Christians may disagree with the events of Creation, they all **believe** that God is responsible for creating everything in some way.

Christians have a very strongly held **belief** that they should look after everything that God has created, and they should **thank** him for the world and everything in it.

Although Christians can thank God, pray to him and worship him at any time, the festival of **Harvest** is a key time in the Christian year when they **praise** him for **Creation**. This is a time when Christians can thank God for all he has made and for all they have been given. Christians will be singing songs about God as creator and about all he has given people.
