

## School PE and Sports Premium Funding 2024-2025

### Subject purpose and aims:

Children at Devonshire Road come from a range of different backgrounds in an ever-changing, complex society. We aim to ensure that all pupils: develop competence to excel in a broad range of physical activities; are physically active for sustained periods of time; engage in competitive sports and activities and lead healthy, active lives, no matter what their race, religion, ethnicity, gender, socio-economic status or physical abilities are.

Our aims at Devonshire Road:

- To inspire all pupils to succeed and excel in competitive sport and other physically demanding activities.
- To provide opportunities for pupils to become physically confident in a way which supports their health and fitness.
- For pupils to compete in sport and other activities which build character and help to embed values such as fairness and respect.

**Objective:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators:

1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

### Sports Grant Report 2024-25:

Allocation: £19,626					
PE and Sport Premium Key outcome Indicator	School Focus/ planned <u>impact</u> on pupils	Actions to achieve	Funding	Actual impact (following review) on pupils	Sustainability/ Next Steps
1. The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles	To improve the quality and quantity of resources/ equipment to ensure participation of all within lesson time and for children to practise their skills during break times.	An audit of <b>equipment</b> completed in line with the PE scheme of work. Resources to be purchased based on the audits.	£1,209	It is vital that equipment is replenished when needed to allow for the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles. Having correct equipment has also led to increased confidence, knowledge and skills of all staff in teaching PE and sport as they are able to follow the scheme correctly due to having the needed resources. Sticker rewards and equipment for Sports Day were purchased along with various resources throughout the year when required such as balls and hoops.	Equipment needs to be well organised so that it is accessible and staff members are respectful when using/putting back. Replenishing equipment is ongoing.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement  3. Increased confidence, knowledge and skills of all staff in teaching PE and sport	To improve quality first teaching throughout the school through use of an up-to-date progressive scheme of work.	Purchase <b>iMoves</b> to support planning of the curriculum	£997	iMoves has been followed for many years at Devonshire Road. Feedback has previously been gathered from teaching staff and the general consensus has been that iMoves is a supportive resource which supports teachers in their planning and assessments. Videos are used to support the staff with the lesson and staff can choose to show the video of the specialists teaching the skill or they can use it to model themselves. It also provides short videos which encourage movement and physicality in the classroom. These have been used a 'brain-breaks' to promote wellbeing and have also been used when the weather conditions have meant that PE has had to take place in the classroom. Children have been able to take part in varied PE sessions with use of the scheme.	Staff confidence and use of the scheme to be audited regularly (particularly new members of staff).  Progression of skills to be looked at when mapping out the curriculum. LS to complete extra iMoves training in order to provide members of staff with support in using the scheme.
	To ensure that staff are fully prepared for	Purchase staff PE kit via Halbro Sportswear	£419	Kit has been purchased and handed out to staff members. They now have	Rules on spending PE budget on staff

	sports/PE teaching and providing the best model for children.			appropriate clothing which allows them to model and teach PE safely.	PE kit were changed since making this purchase. Staff PE kit will no longer be able to come out of the PE budget.
4. Broader experience of a range of sports and activities offered to all pupils	To improve the outcome of swimming by the end of KS2	Additional <b>Swimming lessons</b> organised for Year 4, Year 5 and Year 6 on top of the Year 5s statutory term of lessons.	£10,472	Swimming sessions took place for Year 4, Year 5 and also catch up sessions for children in Year 6 who did not reach ARE by the end of Year 5. As a school, providing swimming lessons is a priority. Many of our children have never had lessons when they reach KS2 and some have never been in standing water.  30/60 children (50%) of the Year 6 cohort were able to achieve the end of KS2 expectation. The children who did not reach ARE when they were in Year 5 were provided with catch up lessons. 0% of these 30 children were able to meet ARE after the additional 2 weeks of intensive lessons.	Swimming is a life skill that needs to be taught and achieved before children leave primary school and we are equipping the children with vital lifesaving skills they need if they were ever to fall in water.  The data did not improve this year like it should have done with a lot of additional swimming lessons provided. LS to make swimming a priority for next year.
	To provide all children with 'WOW'/different sporting experiences	The following <b>WOW sporting experiences</b> have been booked and will take place throughout the year  - Year 3 – Howebridge Skateboarding and Climbing - Year 4 – High/low ropes & Orienteering - Year 5 – Scotsman's Flash & Bikeability - Year 6 – Chill Factor/Beyond Skiing  <b>Transport</b> arranged for each experience	£2050 (only includes Y4 and Y5 in this budget)	Ensuring that PE wows took place was important again this year. PE WOWs have been a huge success over the past years. The profile of PE has been raised and they have enabled children to take part in sporting activities they may not otherwise get to experience.	With swimming being more of a priority and with price increases, cuts may need to be made to PE wows in future years.
	To provide relevant training to a staff member to ensure balance bikes are effectively and safely used.		£429	Chloe Abraham completed the Balanceability training. Resources and online CPD were then gained access to and all Early Years teachers have completed this training in order to deliver the sessions. Reception children take part in balance bike sessions every week.	CPD is accessible to all staff members at Devonshire Road.
5. Increased participation in competitive sport  4. Broader experience of a range of sports and activities offered to all pupils	To improve extracurricular sporting opportunities for all pupils through booking sports coaches (EdStart)	EdStart <b>extra-curricular</b> coaches have been booked for the year to improve extracurricular sporting opportunities for all pupils ensuring that all age groups have access to a variety of clubs and all clubs are free to children.	£3195	Extra-curricular clubs were offered to the children in all key stages throughout the year.	Continue to enhance provision for all children in this area through our partnership with EdStart.  Children's sporting skills improve further and links are made with local clubs to promote children continuing their sport out of school.
	To enter sports competitions to provide		£100	8 tournaments were entered this year, providing a wealth of children from	

	children with an opportunity to compete against other schools.	Bolton Cluster School Games <b>competitions</b> fee (medals/certificates)  <b>Minibus</b> hire to travel to competitions:	£270	Year 2-6 with the opportunity to compete against other schools. Minibuses were hired to transport the children to most of the events. A few were within walking distance.	
	To provide 3 children that have shown sporting promise with the opportunity to go to PGL by funding their place on the trip.	<b>Sports Scholarship Award</b> (PGL places) offered to 3 children.	£411	Sports Scholarship granted and accepted by 3 children. These children attended the PGL trip and thoroughly enjoyed and appreciated having this opportunity.	To be awarded annually to 3 children.
Total spent			£19,607
