Key Milestones

In this unit, pupils will learn about the concept of 'Gospel' and the good news of forgiveness, peace and love that Christians believe Jesus brings.

Pupils will learn about Matthew the Tax Collector and how Christians believe that Jesus offers forgiveness, looking at their heart rather than what they have done in the past.

Pupils will learn about the instructions that Jesus gives in the Bible and how Christians follow his example and these instructions in order to behave in a Christ like way.

Pupils will take time to consider whether Jesus' good news is only good news for Christians or whether there are things for people from different worldviews to consider.

Key Knowledge

The good news that Jesus brought was to love everyone and this is something that Christians try to do during their everyday life. They follow the example of how Jesus asked **Matthew**, the **tax collector** to follow him, even though everyone hated the tax collectors. Jesus also chose ordinary men, like the **fishermen** to be world changers for him and to spread his message to forgive and be forgiven.

As Jesus chose ordinary people and people who were hated to be his followers this shows that his message is for everyone who wants to follow it.

Jesus also showed love, peace and forgiveness was for everyone when he healed the ten lepers, who were seen as outcasts in society at the time.

Jesus' **apostles** spread this message whilst Jesus was on earth and after his death and the **disciples** of Jesus continue to spread this message now in what they say and what they do.

During his lifetime Jesus gave his **disciples** the Lord's Prayer as a way of saying sorry, saying please and saying thank you to God. This prayer is very special for Christians as it is the prayer that Jesus taught
