Weekly Bulletin - 4.4.2025

Year 4 Standon Bowers Residential

Year 4 have been having a great time at Standon Bowers this week. They have polished their map reading skills when orienteering and showed a lot of resilience during some highly competitive team games! They tackled challenges such as bridge building and the blindfold trail with a great sense of humour!

As well as all the activities, eating, sleeping and just running around together, has helped to build some great memories for them all. We have some exceptionally kind and thoughtful souls who really shone this week!
