We might inform someone if we were concerned about your safety but we would usually speak to you first. Your messages are stored and can be seen by other health care staff who follow the same confidentiality rules. We aim to reply to you within one working day and you should get an immediate message back to confirm we have received your text. Texts will only be sent between 9am and 5pm. If you need help before you have been back from an contact your GP, nearest walk in centre or dial 111. Our text number does not receive voice calls or MMS picture messages. We support messaging from 24 mobile numbers only (which does not include messages sent from landlines, international mobile numbers and some 'number masking' mobile apps). To prevent the health visitor from sending messages to you, text STOP to our number. Messages are charged at your usual rates.

### World Book Day - Thursday 6<sup>th</sup> March 2025

For World Book Day this year, our theme will be 'Wonderful Words!'. We will be asking the children to dress up but with a twist - we would like them to come dressed as a word! This might be a word like 'sparkly', 'palaeontologist', or 'juxtapose'. Below are some ideas to get you thinking.

World Book Day will be during the first week back so get your creativity on over the half term break and we can't wait to see everyone's outfits!
