Welcome Back

Welcome to the Spring term! It may not have got off the start that we had expected, but it has been a great start all the same. The children have loved telling us all about their Christmas break, and we have loved hearing them talk animatedly about time shared with families and friends. They have settled back in to school life quickly, and have engaged well with the learning that has been going on in their classrooms. They have particularly enjoyed playing on our field in the snow!

We are looking forward to another incredible term!

After School Clubs

This week we have sent out the forms for after school clubs for Reception to Year 6. Use the links below to access the forms:

For Rec and KS1, [CLICK HERE](#)

For KS2, [CLICK HERE](#)

These forms will be closed on Monday morning at 9:30am. Once you have filled out the form, you can assume that your child has a place, so you will not get any additional communication. Collection from after school clubs will be from the KS1 and KS2 exits.

Boxing Club will recommence later in the school year.

On Tuesday our Choir will be travelling to Birmingham to take part in Young Voices, this is always a very exciting day and evening for the children.

Nursery - Please note Mrs Bowler's name has changed to Miss Fielding.

Reception 2025

If you have not yet applied for your Reception 2025 place, please do so ASAP. The deadline for applications is January 15th.

ASM After School Sports Club

Our popular after school sports club is on again this half term, Tuesday for key stage 1 and Thursday for key stage 2. There is a small charge for this activity of £1 per week, please complete the consent and make a payment on Parentpay if you would like your child would like a place.

NHS Pharmacy First Service

Did you know that the NHS Pharmacy First Service enables children and adults to get convenient access to healthcare advice and treatment where appropriate, for seven common conditions without the potential delay of having to wait for a GP appointment? Accessing the service may mean that can help children feel better and back to school as quickly as possible, as well as supporting parents/carers to also get better if they are unwell with one of the conditions covered under the service.

There is no need to make an appointment; parents or carers can pop into their local Boots pharmacy with their child and ask for help under the service.

Support for the following conditions can be accessed under the service, free of charge (unless NHS prescription charges apply):

<u>Common condition</u>	<u>Patient eligibility</u>
Earache	1 to 17 years
Impetigo	1 year and over
Infected insect bites and stings	1 year and over
Sore throats	5 years and over
Sinusitis	12 years and over
Uncomplicated urinary tract	Women 16 to 64 years
Shingles	18 years and over

*NHS Pharmacy First Service: In pharmacies in England only. Subject to availability. Treatment is subject to suitability assessment. Normal NHS prescription charge rules apply.
