PLATFORM: Gallery, 79 Market Street,
Crewe, CW12HB.

TLP
THE LEARNING PARTNERSHIP

Making Your Mark

One of the things that makes being part of TLP so wonderful are the opportunities that it brings for our children!

It is currently, our annual Art Exhibition, and this year's theme is '**Making Your Mark**'

16 of our budding artists currently have their work on display in our very own TLP art gallery in Crewe! Well done to all those children - some were even prize winners!

The exhibition is around until 29th August and everybody is welcome to view the work of the children from across TLP from Nursery age to sixth form students!

Heatwave Measures

The weather continues to be hot, and we have been adjusting our routines to help the children to feel comfortable. With temperatures continuing to be high next week, these will remain in place. This includes children coming into school in **PE kit**, if they wish. This does not mean own clothes, and we would appreciate your support in enforcing this with our children.

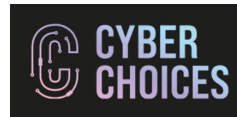

You can help to be taking the following precautions:

- Ensuring your child attends school with sunscreen already applied and a bottle with them should they need to reapply.
- Ensuring your child has a refillable water bottle with them each day.
- Ensuring your child has a hat.
- It may also be beneficial to **not** bring jumpers into school. They are not required, and we have had a big increase in lost jumpers.

Cyber safety

As we approach the holidays, and children inevitably are drawn to screens and the internet, there is some great advice available to help and support parents. Please follow the link below to find some useful information and advice on the Prevent website.

[Parents - WM Cyber](#)

Beach Day

Our annual Beach Day is back on **Thursday 16th July**! This all takes place during the school day. The children will have a class slot for the bouncy castle and have an opportunity to buy a treat from the tuck shop. Children can bring in some money for this; please can they bring this in in a named wallet/purse or envelope. The tuck shop will also be available after school (should there be and sweets left!).

Year 6 Leavers' Assembly

On **Friday 17th**, our Year 6 parents are welcome to come into school for our end of year assembly. The children will share memories, share jokes and sing songs as we say a fond farewell to our class for 2026!

Final Day for Children - Friday 17th July

DOVE BANK PRIMARY SCHOOL
