

# Dove Bank Primary School

## Weekly Bulletin - 12.6.26

### Infant Mental Health Awareness

Infant Mental Health Awareness Week is between 8 to 14 June 2026 and CBeebies Parenting has lots of resources to help children and parents with their wellbeing.

It gives information about a range of topics, for instance, children talking about their feelings using toys or how to help children understand their emotions.

For parents, there is advice about looking after yourself with a newborn or help with finding supportive relationships with other parents. Click the link below for more information on the CBeebies website.

### Father's Day Breakfast

Don't forget that our Father's Day Breakfast is happening on **Friday 19th June**. Please can we request that **one adult per family** attends the breakfast as we have a limited amount of space. Once you have dropped your child off at school, please make your way round to the reception area, where we will greet you and get your children from classrooms to join you :).

During this event, there will also be a chance to meet with Tracey Thorley, who runs many projects at our local family hub on Gloucester Road in Kidsgrove. Please say hello to her and see what's going on in our local area.

Or have a look here...

### The Amazing Concert

Some of the children from year 4 and 5 got the chance to perform at the Crewe Lyceum on as part of a performance involving nine primary schools from our trust, The Learning Partnership

It was great to see the children perform with so much confidence, having learnt ten songs and dances over the last few weeks.

The whole school will get the chance to perform these songs and dances when we join on-line together later this month and perform alongside all the other schools.

If you would like to access the songs, lyrics and choreography from home, please click the link below to create an account. Follow the TLP Trust link on the home page and scroll down to the music and videos. I'm sure you will recognise many of the songs yourself!
