Class Assemblies

Following the parent survey that we sent out last term, where parents told us that they didn't always know what their child was learning, we have decided to introduce class assemblies into our calendar. These will take place on a Friday celebration assembly and will be an opportunity for each class to share what they have been learning in class. Parents will then be invited back to class to complete a short activity with their child. The dates for each class this term have been included on the Autumn diary dates.

After School Club Change

Mrs Harley has changed her club to Art club on a Wednesday due to low numbers in gardening club. If you would like to book your child into this club. Click [HERE](#).

Active Life referral programme - Newcastle Borough Council

Newcastle-under-Lyme Borough Council are committed to supporting communities to improve life chances by making sure that everyone has the opportunity to be active, healthy and fulfilled.

As part of our drive to reduce health inequalities across the borough, we have launched a new ActiveLife referral programme, which offers 12-weeks of subsidised activity and support across seven referral pathways. A three month membership at Jubilee 2, which would normally cost £96, has been reduced to just £32.05 for the majority of borough residents accessing the ActiveLife programme. For those living in areas of the borough with the greatest health inequalities, the programme will be free of charge. To access the ActiveLife Referral programme free of charge individuals must live within certain postcodes Active-Life: Concessions - Newcastle-under-Lyme Borough Council (newcastle-staffs.gov.uk)
