Eid Mubarak

The fasting of Ramadan is over for our Muslim community. Some of our older children have tested their faith and perseverance by fasting during daylight hours throughout this holy month. Their commitment has been inspirational and other children have been encouraging and supportive. As Ramadan started, we made kindness chains that are hung in our hall to remind us of the goodwill of this season.

Today is Eid and for anyone celebrating today, we wish them a day of feasting and celebration with their friends and family.

Easter Bonnet Parade

It's time to get out the glue, fluffy chicks, ribbon and anything else you have lying around the house that could be stuck onto an Easter bonnet!

Friday 27th March will be our annual Easter bonnet parade.

The children always love to show off their creations at the end of the day. We look forward to seeing what the children have created and having lots of fun wearing them.

Food tasting

As part of their learning about Jewish values and rituals, Year 6 have been learning about Shabbat, a celebratory feast to mark the Jewish day of rest. They learned about the blessing said and the meanings behind tasting foods such as horseradish, parsley and flatbread. They have a new-found respect for what this represents and even discovered that some quite enjoy horseradish!

The Book Fair

Many thanks to those who came and bought books at the book fair this week. It was great to see so many children and parents get excited about books. Parents evenings are all the more exciting when you add a book fair!

The great thing about buying from here, is that it also helps to raise money for books in school. Winner, winner!

A special thanks go to the small but dedicated team from Year 6 who helped with sales, and were perfect shopkeepers!

Clothing Labels

As the weather improves, children are taking off their jumpers when outside playing. Please ensure that your child's name is clearly written inside, so that it can be returned should it get misplaced.

Thank You

Our parents' evening this week was very well attended. It was a great opportunity to meet with you and discuss how your child is getting on in school. We really enjoy meeting with you all and celebrating your incredible children!
