

# Dove Bank Primary School

## Weekly Bulletin - 23.1.26

### Exciting times!

We have had a very exciting offer made to our school. The Lamb Street Allotment Association are offering a very generous plot, at the top of their allotments. This is the perfect place for our children but... we need your help. We would love to develop and grow things with the children, but they will need some assistance. Do you have a little spare time to help? Do you have any gardening tools that we could have (or borrow)? We have been set a trial period to see if we can make use of this and encourage our children to experience gardening in a lovely community. Please get in touch with Mrs Woodward if you are interested or might be able to help in any way. [J.woodward@dovebank.staffs.sch.uk](mailto:J.woodward@dovebank.staffs.sch.uk)

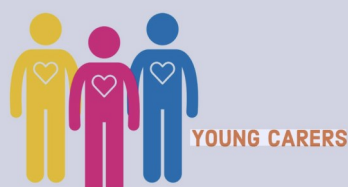

### Drop in with Chantel

Our very own family practitioner link worker, Chantel Lowe, will be available this Tuesday between 9 and 10am. Please feel free to pop in and meet her. She is happy to talk to anyone who has any questions about what services Gingerbread offers. If you or someone you know, would like help advice on finances, getting back to work, making new friends or support with something else, then please pop in for a brew and a chat next Tuesday.

### Drop off and pick up times

Notice for people dropping off Key Stage 1 children. For the safety of the children, please avoid coming up the ramp at drop off and pick up times. We want to ensure that children are able to use the entrance independently and are easily visible to the adults responsible for them. If you need to speak to the teacher, please approach from the playground, otherwise you can email or phone with messages or other discussions. Thank you.

### Young Carers Assembly Is Your Child a Young Carer?

On Tuesday, Sam Fitzgerald came into school to talk to the children about Young Carers. She got the children to think about what it means to care for someone in their family who has additional needs and how this could impact them. She also invited the children to think about whether they may be affected by this in their own family. Young Carers is a fantastic organisation that can really help to support young people who find themselves in this situation, please reach out if you think that this may help your family.

### Number Day - Friday 6th February

Friday 6<sup>th</sup> February is **NSPCC Number Day** and we will be supporting this in school.

On this day, all children will be invited to wear an item of clothing/outfit to school with a number on it, in exchange for a small donation to the NSPCC charity (suggested donation - £1).

Lots of number themed fun will also be happening in school on this day!

Together, we can make maths and numbers exciting for the children, this event has always been a great success thanks to your support, let's make it happen!
