Aspiration Week

What a fantastic Aspiration week we have had! Visitors have been in to school to talk to the children in their classrooms and also in assemblies. We all have our part to play in the creation of a more sustainable future, and the many visitors that we had were able to explain to the children the parts that they play within this. The week ended with the children dressing for the future career that they would like.

It was truly incredible to see our children showing **aspiration** - which is one of our core values.

A huge thank you to all the visitors into school. You are inspiring the next generation, and for that, we are so thankful.

End of Autumn 1

As we reach the end of as busy and productive half term, I want to thank you for your continued support. The children have worked incredibly hard this term, and there have been many highlights to celebrate. Ending the half term with a Halloween disco, and two wonderful parents' evenings was the icing on the cake. We love talking about your incredible children and sharing their successes with you.

Your views are really important to us. These views help us to shape change within school as well as to celebrate what is going well. We would appreciate if you could take 5 minutes of your time to complete our annual parent survey.

Have a lovely, restful half term, and we will look forward to seeing you all on Monday 3rd November.
