

Dove Bank Primary School

Weekly Bulletin - 26.6.26

Thank you to our children and staff

This week really has been a hot one! There have been changes that the children have had to navigate to uniform, breaktime activities, lesson structures and environment, and they have done so **excellently!** Unexpected changes can sometimes be tricky - but not for our incredible children!

Additionally, a huge thank you to our staff team! They have cared for all of our children as they would care for their own children, and for that, I am incredibly thankful and proud!

Lastly, please label all clothing!

The News is Out!

Some of you may have noticed (the children certainly did!) that Mrs Harley's tummy is starting to grow!

We are so pleased for Mrs Harley, Mr Harley and Bea who are expecting a special addition to their family in Autumn. I am sure you will all join me in congratulating them all.

SOON TO HEAR THE
PITTER PATT OF

Summer Fayre - 3rd July

We are on the final count down to our annual Summer Fayre and are looking forward to welcoming you all into school. It looks set to be a wonderful event - see poster for everything we have planned!

A huge thank you, in advance, to our PTA team who have been busily working behind the scenes to ensure it is a great event!

Summer Music Concert

Monday is the day! We cannot wait to celebrate all the musical achievements of our children. If your child is taking part in this concert, you will have received a letter with the arrangements. If you have any questions, please do not hesitate to drop us an email, and we will get back to you as soon as we can.

The Dougie Mac Fundraiser

the donna louise
Hospice care for children & young people

The children enjoyed an assembly, hosted by Dougie Mac, where they were given a fundraising challenge.

Samantha came in to talk about the valuable work of our nationally-recognised local hospice, known as The Dougie Mac, and the children's unit: The Donna Louise. She talked about how it helps children and families of very poorly children in our area, and the children thoroughly enjoyed listening to what she had to say.

Your child should have brought home a fund-raising envelope, which encourages them to gain sponsors for completing a 'Spot the difference' challenge. If your child has managed to raise any money for this great cause, then please send the envelope back and we will pass it on by the end of term.

Thanks to anyone who has taken part in this, I'm sure that any donations will be very gratefully received.
